## **USC and ISO 9001:2008 Certification**

Universal Switching Corporation has a Quality Policy that serves as the backbone for the products, services and innovative designs it offers. As a global supplier of cutting-edge switching equipment and associated support products, Universal Switching Corporation's management fully supports the ISO process and its function within the company.

In achieving ISO 9001:2008 certification, Universal Switching Corporation has demonstrated to ANAB accredited third party auditors (National Quality Assurance) that we have an effective Quality Management System in place. These include the following types of processes:

- *Management responsibility*
- *Management review*
- *Resources and work environment*
- *Product realization*
- *Design and development*
- *Customer related*
- *Measurement, analysis and improvement*
- *Purchasing*
- *Outsourcing*
- *Production and service provisions*
- *Control of monitoring and measuring devices*
- *Control of nonconforming product*
- *Analysis of data*
- *Continual improvement*
- *Corrective action*
- *Preventative action*

If you require a copy of our ISO 9001:2008 certificate, it is available for quick download within the quality section of our website.
